

Dear College Park Voter:

March 2006

**YOU ARE INVITED TO JOIN THE  
MAYORS OF THE CITY OF COLLEGE PARK  
IN THEIR SUPPORT OF**

**JOSELINE PEÑA-MELNYK**

**FOR THE HOUSE OF DELEGATES  
21<sup>ST</sup> LEGISLATIVE DISTRICT - STATE OF MARYLAND**

---

*We are delighted to learn that Councilwoman Joseline Peña-Melnyk is seeking a seat in the House of Delegates for District 21. For the last few years, Joseline has diligently worked for all of College Park while serving her constituents in College Park Woods, Crystal Springs, Acredale and Autoville.*

*While on the City Council, Joseline vigorously tackled some of our most vexing issues. She organized the March to Rebuild Route 1 and pressured County and State officials to provide funding for its reconstruction. Recently, she challenged the State to study the causes of campus traffic, rather than merely build a private road with public funds from the beltway down to Campus. In concert with her colleagues, Joseline has championed alternative transportation initiatives and "outside the box" thinking to solve our problems. Through all of this, she has been a dynamic and effective member of our City's legislative team at home and in Annapolis.*

*Joseline's experiences range from her role as a U.S. Prosecutor, to raising her family in College Park, to being one of our City's most respected and influential Councilmembers. Her ability to communicate effectively in English and to our growing Spanish communities combined with her experience and dedication has convinced us that she will excel as a Delegate.*

*As many of you know, Joseline did not accept any campaign contributions when she ran for City Council. However, running for the House of Delegates is a different ballgame. Joseline will need a lot of money to win the September primary election, and she will need the votes of people in College Park, Beltsville, Calverton and Laurel in Prince George's County as well as communities of Russett, Maryland City and Piney Orchard in Anne Arundel County.*

*It takes money to reach these folks, so we are urging you to tell voters about Joseline and her work on our behalf, and ask that you contribute to her campaign as soon as possible.*

*Please make checks payable to: 'Friends of Joseline Peña-Melnyk'  
P.O. Box 1251  
College Park, MD 20741-1251*

*District 21 has three seats in the 21<sup>st</sup> Delegation. Though Pauline Menes of College Park Woods now occupies one seat, Pauline will not seek reelection after 40 years of service. We also know that Brian Moe and Barbara Frush will be running, and there are others who want the job besides Joseline. However, we believe that Joseline belongs in the State House, and we ask that you join us in helping her campaign. Talk it up, volunteer, send a contribution, or do whatever you do best.*

*Joseline deserves our help, and District 21 deserves her leadership. Thank you!*

*College Park Mayor Stephen A. Brayman*

*Former Mayors: Michael Jacobs, Joseph Page, Anna Owens,  
Alvin Kushner and Dervey Lomax*
